Re: 2016-02RP Workshop on March 17, 2016

Dear Ms. Bell:

On behalf of the South Point Hotel and Casino, I would like to offer our full support for the Petition for Amendment to Regulation NGC 22.125 filed by American Wagering, Inc. dba William Hill Race & Sports Book. In particular we fully support the language set forth in Exhibit 1 to the Petition.

A large majority of the members of the Nevada Off-Track Pari-mutuel Wagering Committee fully support the proposed amendments since they accurately reflect (a) the types of offerings that would not constitute rebates and (b) the existing practices that licensees believed were permitted, based on their interpretation of Regulation 22.125.

We concur with American Wagering, Inc.'s comment that the proposed amendment includes the types of offerings that generate a great deal of goodwill and loyalty with patrons, while drawing patrons to casinos on major race days and do not violate the anti-rebate provisions of NRS 464.075

Thank you for including our comments in the record for the workshop currently scheduled for March 17, 2016, or such other time as the workshop is scheduled.

Sincerely yours,
